As dependably rugged as you, the Lassen features impact-rated polycarbonate lenses and durable nylon frames for long-lasting performance. Compliant with both ANSI Z87.1+ and CSA Z94.3 protective standards, the Lassen sports a distinctive Wayfarer style that suggests “everyday sunglasses” more than “safety glasses”. Plus, the Lassen’s Edge-Flex™ temples and thermoplastic rubber (TPR) nose pieces provide non-slip grip and improve comfort for all-day wearability. The Lassen is a safe choice for protective eyewear with comfort-improving features, a lightweight design, and ultimate style.
